ACTIVITY

- Supplies: A ball or globe.
- Say: When we choose to follow Jesus, it's our job to teach others how to follow Him, too. You can do that anywhere—near, far, here, or around the world!
- 1. Kids pass the inflatable globe/ball and chant, "Share Jesus, share Jesus, share Jesus at ..."
- 2. The kid who is holding the globe/ball at the end of the chant names a place where they can share Jesus.
- 3. Repeat the game until everyone has gotten a turn.
- Say: Now, think of one person who needs to know Jesus. You can invite them to church next week! Who will you invite?
- If time allows, play the game again. Choose a question to ask after the activity.

TALK

1. Whose responsibility is it to share God's Good News? Everyone who trusts in and follows Jesus
2. Who gave us the responsibility of sharing God's Good News? Jesus
3. What is important about sharing God's Good News? It obeys God; people need the Good News so they can be forever friends with God; etc.
4. You might think the people around you already follow Jesus. How can you find out if they really do? Ask them; watch their words, actions, and choices; talk about Jesus with them; etc.
5. What do you think a kid can do to help a trusted adult learn about Jesus?

PRAY

Ask kids to share things they'd like to pray about, write down their prayer requests, and pray together over the prayer request. **Not sure what to pray?** Pray this: God, please help others learn about You and Your Good News through the loving words we use. In Jesus' name, amen.
