Intentional Living | John Maxwell

We all have a longing to be significant. We want to make a contribution, to be a part of something noble and purposeful. But many people wrongly believe significance is unattainable. They worry that it's too big for them to achieve. That they have to have an amazing idea, be a certain age, have a lot of money, or be powerful or famous to make a real difference. The good news is that none of those things is necessary for you to achieve significance and create a lasting legacy. The only thing you need to achieve significance is to be intentional. And to do that, all you need to do is start. You can't make an impact sitting still and doing nothing. Every major accomplishment that's ever been achieved started with a first step. Sometimes it's hard; other times it's easy, but no matter what, you have to do it if you want to get anywhere in life.

All day, every day, an invisible war rages around you unseen, unheard, yet felt throughout every aspect of your life. A devilish enemy seeks to wreak havoc on everything that matters to you including your heart, mind, relationships, dreams, and your destiny. But his battle plan depends on catching you unaware and unarmed. The Enemy always fails miserably when he meets a woman dressed for the occasion. The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.

Fervent | Priscilla Shirer

You have an enemy; and he's dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's Spirit.

The Way to Win | Jeff Little

When we find something valuable that helps us accomplish the things that matter most, we don't let go of it. Life is not a game. However, on multiple occasions, the Bible uses competitive sports metaphors to demonstrate the discipline and training necessary to grow and become everything God created you to be. The things we care about most -- our identity, our purpose, our relationships -- are far more important than a game. We have to learn to win in these areas. We understand development when it comes to sports, our careers, our hobbies, and even our personal lives. There are tangible goals we can shoot for. And yet, when it comes to our spiritual lives, it often feels more elusive. This book is not a fail-proof formula to avoid pain, challenges, or adversity. It's a journey to a deeper relationship with God. This is the reason you were created. This is winning in life.
